

Supplemental Preliminary Amendment  
U.S. Patent Application No. 10/532,750

**REMARKS/ARGUMENTS**

Please enter the above amendment. As shown at Table 2 of the present application, the moisture percentage for the metal salts was either 0.02% or 0.05% by mass, and, therefore, 0.2% was a typographical error.

Accordingly, no questions of new matter are raised by the above amendments as they are fully supported by the present application. Entry of the above amendment is therefore respectfully requested.

If there are any fees due in connection with the filing of this Preliminary Amendment, please charge the fees to Deposit Account No. 50-0925. If a fee is required for an extension of time under 37 C.F.R. §1.136 not accounted for above, such extension is requested and should also be charged to our Deposit Account.

Respectfully submitted,

Luke A. Kilyk  
Registration No. 33,251
